

NCW

REQUEST FOR PROPOSAL – Produce Response Form

Please complete each section of this form, print, and return with the other required documents.

1. Please enter your fixed fee for delivery for each full case. The winning vendor will add this fee to the midpoint of the Mostly High / Low price from the previous Thursday's Market Report from the Boston Terminal Market to calculate the final delivered case cost.

Fixed fee per case: \$ 5.00

2. Please describe your delivery schedule (order and delivery days) for the schools in the region(s) you are bidding:

Normal delivery days will be Monday, Tuesday and Thursday. Customer should try to stay in that framework, however, if an exception or emergency arises we will deliver needed products on Wednesday or Friday

3. Describe the lead time on bid and non-bid precut items.

Orders should be placed two business days before the delivery day.

Delivery day-----order placed on:

Monday Thursday

Tuesday Friday

Thursday Tuesday

4. What is the availability of non-bid precut items and how is the pricing determined?

Non-bid precut items availability is determined by N. E. Produce Center's availability of products. We will communicate availability and quality information when orders are placed. Pricing will be the same as is for all other products.

5. What is the availability of broken cases and how is the pricing determined?

A list of broken cases will be given to all schools. The extra cost will be 10-15% above the full case cost.

6. What is your minimum delivery size in dollars?

\$ 75.00

7. Please describe your pickup and credit policy.

We need to be notified of unsatisfactory quality with 24 hours, although at time of delivery would be ideal. That product will be picked up at the next delivery day, however, if a replacement is needed sooner, we will honor that.
